

15th December 2022

Dear Parents/Guardians,

Poowong Consolidated School is looking forward to another great year of teaching and learning and would like to advise you of Poowong Consolidated School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your financial support has allowed us to provide book packs and essential materials for classroom use, subscriptions to SeeSaw, Study Ladder, Sentral, Essential Assessments, Get Epic! and many more online curriculum resources. These funds also assist in the provision of electives each term for all students, offer the Family Life program for students in years 3 to 6, subsidise bus travel for interschool sports, regularly update and purchase take home readers, provide welfare and school chaplaincy resources and provide opportunities for the school to update sports materials and music equipment. Every contribution from every family helps us to provide the best opportunities possible for our students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Michael Smethurst
Principal

Andrew Holman
School Council President
